ORDER

10 Civ. 6465 (BSJ)(GWG)

GABRIEL W. GORENSTEIN, United States Magistrate Judge.

The docket sheet in this action indicates that the complaint was filed on August 30, 2010 and that no proof of service of the summons and complaint has been filed. Rule 4(m) of the Federal Rules of Civil Procedure provides:

If a defendant is not served within 120 days after the complaint is filed, the court – on motion or on its own after notice to the plaintiff – must dismiss the action without prejudice against that defendant or order that service be made within a specified time. But if the plaintiff shows good cause for the failure, the court must extend the time for service for an appropriate period. This subdivision (m) does not apply to service in a foreign country under Rule 4(f) or 4(j)(1).

The time to serve the complaint has now expired. While an attorney has filed a notice of appearance in this action on behalf of defendants, no responsive pleading has been filed and plaintiff has not filed any proof of service.

In accordance with Rule 4(m), plaintiff is notified that it is the intention of the Court to dismiss this action. In the event that plaintiff wishes to move for an extension of the time for service, the motion for an extension of time must be filed on or before February 14, 2011. Any such motion must show good cause for the extension and must include a complete description under oath of all efforts made to date to effectuate service. In addition, the application to extend the time for service must comply with the Local Rules of the United States District Court for the Southern District of New York, including Local Rules 6.1 and 7.1. If no motion is filed by February 14, 2011 in accordance with this Order, this action will be dismissed.

SO ORDERED.
